

8-Outlet Vertical Power Strip, 6-ft. Cord, 5-15P, 48 in.

MODEL NUMBER: **PS480806**

Highlights

- Ideal for applications needing multiple convenience outlets for powering a variety of electronic equipment
- 48-in. mountable housing with 8 standard NEMA 5-15R outlets and a 6-ft. power cord
- Lighted, covered On/Off switch and 15-amp circuit breaker
- Sturdy construction and heavy-duty, all-metal housing

Package Includes

- PS480806
- Mounting hardware
- Instruction manual

Description

The PS480806 provides a 15-amp, 120v power strip with 8 standard NEMA 5-15R outlets in a rugged, all-metal, mountable housing. It allows for both vertical and horizontal mounting, making it ideal for a variety of uses including office, rackmount, workbench, industrial and telecom applications. With a NEMA 5-15P, 6-ft. power cord, you don't have to install the PS480806 next to outlets you already have; it can be mounted across the room and deliver reliable service where you need it most. A lighted and covered On/Off switch helps prevent accidental shut-offs, while a 15-amp circuit breaker guards against dangerous circuit overloads. Its sturdy all-metal extruded aluminum housing stands up to demanding network, laboratory or factory environments.

Features

Multi-Outlet Power Distribution: Featuring 8 outlets compatible with all standard electrical equipment, the PS480806 is an ideal solution for applications or locations that require power to many devices simultaneously. The 48-in. housing spaces the outlets 5.67 inches apart from center to center, allowing enough room for most AC adapters and transformers.

Vertical or Horizontal Mounting: With vertical or horizontal installation, a rugged housing and plenty of outlets, Tripp Lite's PS480806 is ideal for point-of-sale and retail display applications as it provides reliable, consistent power service for multiple devices. Tripp Lite's power outlet strips can also be used in home office, workbench and rack enclosure applications. The included mounting hardware allows the PS480806 to be installed wherever reliable, multi-outlet power distribution is required.

Premium Safety Features: The lighted On/Off switch features a translucent cover that eliminates accidental shut-offs while still allowing you to see whether the PS480806 is operational with a glance. A built-in, 15-amp circuit breaker prevents dangerous circuit overloads that could damage equipment. The breaker immediately shuts off AC input to the PS480806 when it detects that the equipment load is drawing too much power.

Heavy-Duty Housing: The PS480806's rugged, all-metal housing is durably constructed making it a great solution for industrial, retail display and workbench applications.

Specifications

| OUTPUT | |
|--|---|
| Frequency Compatibility | 50 / 60 Hz |
| Output Receptacles | (8) 5-15R |
| Output (Watts) | 1800 |
| Circuit Breaker (amps) | 15 |
| Outlet Spacing | 5.67 |
| INPUT | |
| Nominal Input Voltage(s) Supported | 120V AC |
| Recommended Electrical Service | 15A 120V |
| Input Connection Type | Nema 5-15P |
| Input Plug Features | Black |
| Input Cord Length (ft.) | 6 |
| Input Cord Length (m) | 1.83 |
| Input Cord Gauge Type | 14/3 SJT |
| Voltage Compatibility (VAC) | 120 |
| USER INTERFACE, ALERTS & CONTROLS | |
| Switches | Lighted 2 position switch controls power to all outlets |
| Locking Switch Cover | Transparent on/off switch cover prevents accidental turn-off |
| PHYSICAL | |
| Unit Dimensions (hwd / in.) | 1.25 x 1.5 x 48 |
| Unit Dimensions (hwd / cm) | 3.18 x 3.81 x 121.92 |
| Unit Weight (lbs.) | 2.56 |
| Unit Weight (kg) | 1.16 |
| Material of Construction | Aluminum |
| Included Mounting Accessories | Includes mounting clips |
| Receptacle Color | Black |
| Color (AC Line Cord) | Black |
| Form Factors Supported | Supports vertical or horizontal mounting in rack enclosures, raceways and a variety of other applications |
| Outlets Measurement (Center to Center) | 5.67 |
| CERTIFICATIONS | |
| UL1363 (Power Tap) | UL1363 |
